

SURVEY

SOCIAL ISOLATION

Community Industry Group are interested in hearing personal experiences of social isolation and how people keep connected, particularly when dealing with inadequate income.

During this unprecedented time of the COVID-19 pandemic, a lot of the ways we connect have changed, with restrictions on social gatherings and stay at home orders changing the way people live their lives.

We would like to hear about your experiences of social isolation and loneliness before and during the COVID-19 pandemic. Take this short survey now!

Please help us by completing the survey at <https://www.surveymonkey.com/r/CIGSIS2020> or scan the QR code.
